ANTHONY LUPO

Anthony is the Chairman of ArentFox Schiff and practices primarily in the fashion, luxury goods, entertainment, and technology industries.

Anthony's diverse client base includes Diesel, OTB, Versace, Valentino, Gucci, Diane von Furstenberg, Yves Saint Laurent, Fila, Lacoste, Ferrari, and Christian Louboutin in the fashion industry; Tesla, PlayStation, and LG in the technology space; and Warner Bros. Discovery, Pixar, and Oprah Winfrey Network in the entertainment industry. He hosts the number one fashion legal blog, Fashion Counsel, and Forbes recognized him as the 'father of fashion law.'

FELICIA XU

Felicia advises clients in mergers and acquisitions, complex commercial transactions, and corporate governance in the sports, fashion and retail, and food and beverage industries. With her background in corporate law, Felicia counsels clients on the adoption of emerging technologies, including the use of generative AI.

Felicia acts as outside counsel to the National Women's Soccer League (NWSL) and a Major League Baseball (MLB) franchise. She also represents investors and sponsors of Major League Soccer (MLS), the National Basketball Association (NBA), and the National Football League (NFL). In the fashion industry, Felicia works with fashion and luxury brands on corporate structuring and commercial transactions, including licensing, manufacturing, and distribution agreements.
